Requirement SI/HTA/R17/59

1. A search of photography of the area north of KRASHNOVODSK, particularly in the BEK DASH area, fails to reveal any installations that could be identified as being associated with guided missile activity.

2. No purpose, other than for normal air transportation, can be given for the airfield at BEK DASH.

3. One probable radar installation can be identified at BEK DASH.

4. Numerous small groups of buildings are scattered throughout the area north of KRASHNOVODSK. Some of these can be identified as being associated with oil wells whereas the purpose of others cannot be determined from photography alone.
